

RiChina Ltd gives presentation to students from Southampton University

In response to an invitation by Chinese students at Southampton University, Richina was pleased to hold a presentation at the Halls of Residence to highlight our range of Student Services available.

The Richina team were welcomed most enthusiastically and during the 2 hour session, which was held mostly in Mandarin and, with the aid of visuals, the Richina team was able to discuss the various ways in which the students might benefit from our services.

The topics that seemed to be of most interest were a) Assistance with CV building and presentations b) Interview Skills c) Student Concierge Service d) Coaching for Psychometric Tests.

Having completed the presentation and the 1 to 1 interviews with students the Richina team were then invited to make another presentation at a future date for another group of Chinese Students at Southampton University.

This invitation was accepted confirming our belief that many Chinese and other overseas students could benefit from our Student Services.
